MEMORANDUM FOR: PM, Transportation Information Systems (TIS), ATTN: SFAE-PS-TC, 8000 Corporate Court, Springfield, VA 22153

SUBJECT: TIS Central Management Facility's (CMF) Accreditation Recommendation

1. References:

- a. Army Regulation (AR) 25-2, Information Assurance, 14 Nov 03.
- b. TIS CMF System Security Authorization Agreement (SSAA), Nov 03.
- c. Memo AMSEL-IE-IA, 26 Jan 04, Subject as Above.

2. After reviewing the measures to protect government information identified in reference b, and taking into account the recommendation from my Certification Authority (CA) in reference c, I have determined the level of risk to be low and within acceptable boundaries. Accordingly, I grant accreditation of the TIS CMF for 1 year from the date of this letter and attach the following stipulations:

-The PM TIS will continue to evaluate the application in a fully operational environment and the CA will conduct a formal review of new applications and the data exchange characteristics in 6 months.

-At the end of the 1 year accreditation, I will ask for a certification re-evaluation with the goal of a stable baseline and the issuance of a final 3 year accreditation.

3. The PEO EIS IAPM is Mr. Mike Sandberg, 703 806-4769, and my POC for this action.
